Pacific Ridge Exploration Ltd.
(An Exploration Stage Company)
Notes to Condensed Interim Financial Statements June 30, 2012
(Unaudited - Expressed in Canadian Dollars)

1. Nature of operations

Pacific Ridge Exploration Ltd. (the "Company" or "Pacific Ridge") is in the business of acquiring and exploring resource properties in Canada. Pacific Ridge is incorporated and domiciled in Canada under the *Business Corporations Act* (British Columbia). The address of its registered office is 950 – 1199 West Hastings Street, Vancouver, British Columbia.

The Company has not yet determined whether its properties contain ore reserves that are economically recoverable. The recoverability of the amounts shown for resource properties is dependent upon the existence of economically recoverable reserves, the ability of the Company to obtain necessary capital to finance the operations and contribution from future joint venture partners. Due to market fluctuations and the inherent risks in the exploration industry, there can be no assurance that management's future actions will be successful.

2. Basis of presentation and adoption of International Financial Reporting Standards ("IFRS")

These condensed interim financial statements have been prepared in accordance with International Financial Reporting Standards ("IFRS") issued by the International Accounting Standards Board ("IASB") applicable to the preparation of interim financial statements, including IAS 34, Interim Financial Reporting. These condensed interim financial statements do not include all of the information required for full annual financial statements and they should be read in conjunction with the annual financial statements for the year ended December 31, 2011 and the notes to the financial statements.

The significant accounting policies used in the preparation of these condensed interim financial statements are consistent with those used in the preparation of the Company's annual financial statements ended December 31, 2011.

These condensed interim financial statements have been prepared on a historical cost basis and presented in Canadian dollars, the Company's functional currency.

The condensed financial statements were approved by the Board of Directors on August 21, 2012.

Upon commencement of commercial production		1,000,000	
	\$ 120,000	4,000,000	\$ 600,000

The property is subject to a 2% net smelter return ("NSR") that may be purchased, at any time after a production notice has been given in amounts of \$1,000,000 for each 1% of NSR.

b) PTL property, Yukon

On May 27, 2011, the Company entered into an option agreement with a private vendor to earn a 100% interest in 39 mineral claims located in the Dawson Mining District, Yukon, north-western area of the Mariposa property, known as the PTL property. In consideration the Company will pay a total of \$85,000 and issue a total of 200,000 of common shares as follows:

c) Stock Options (Cont'd)

The Company applies the fair value method of accounting for stock options. Option pricing models require the input of highly subjective assumptions including expected price volatility. Changes in the subjective input assumptions can materially affect the fair value estimate.

The fair value of options granted was estimated at the grant date based on the Black-Scholes option-pricing model, using the following assumptions:

	June 30, 2012	June 30, 2011
Risk-free interest rate	1.24%	1.93%
Expected share price volatility	104.50%	106.82%
Expected option life in years	3.5	3.5
Expected dividend yield	Nil	Nil

6. Related parties

Related parties include the board of directors and officers, close family members and enterprises that are controlled by these individuals as well as certain consultants performing similar functions.

The Company has no compensation arrangements with its board of directors other than non-cash stock option grants. The Company has no termination benefit, post-employment benefits and other long-term benefits in place. Key management includes the board of directors and executive officers. Compensation awarded to the key management is listed below:
